Alexandre Trauner ART/Film Festival 12-17 October 2021, Szolnok

Entry Regulations

1. There is no entry fee

2. General information

You can enter films produced after **1 January 2019**. One filmmaker - the director or the editor - may enter not more than two films. The organizers will provide free accommodation for one representative of each film selected for the competition by the jury.

3. Entry process

You can register for the Alexandre Trauner ART/Film Festival 2021 on **Filmfreeway**.

The list of films in competition will be officially published in August 2021.

- For the festival screening, in case of selection, you need to upload your film on the server of Tisza Cinema or make your film available for download on filmfreeway until **13 September 2021**. The details of the server will be sent to the filmmaker via email in case of selection.
- As the festival is international all film in competition shall have English version for the festival's screening.
- For the festival catalogue, we will need a photo of the director, a still from the film, a brief synopsis and biography of the director. These documents need to be provided when submitting your film or supplemented no later than **01 September 2021**.

(In case you have any question or comment about the online application, please contact us via e-mail: **festival@ataff.hu**)

4. Information on the film copies

We primarily can accept films via an **online download link** for preselection (in a format that can be copied for the preview jury). The organizers are **not able to pay any rental or screening fee** for any short or long documentary film at the festival.

The screening copies must be available for the Festival from 1-20 October 2021.

We can screen the films from DCP. Specifications for online download links: DCP 2K definition; mkv in HD or Full HD quality; avi for lower definition.

For the VR section we expect the film links available on Youtube as our Oculus Quest Headsets are compatible with Youtube.
